DEPARTMENT OF VETERANS AFFAIRS AND COUNTY VETERANS AFFAIRS OFFICERS

Sections 25-11-10 to 25-11-60 of the 1976 Code: These sections provide for the Department of Veterans Affairs for the purpose "of assisting all ex-servicemen, regardless of the wars in which their service may have been rendered, in filing, presenting and prosecuting to final determination all claims which they have for money compensation, hospitalization, training and insurance benefits under the terms of federal legislation relative thereto".

The Department operates under a Commission composed of the Governor as Chairman; the Adjutant General; and the Attorney General for legal advice.

Additionally, there is a County Veterans Affairs Officer in each of the forty-six counties in South Carolina and restating the purpose as amended, "to insure a stabilization and coordination of the service work for and in behalf of the war veterans and ex-servicemen and women of South Carolina, in order that they may be guaranteed the maximum benefits granted by laws enacted by the National Congress".

The services rendered by the Department of Veterans Affairs and the County Veterans Affairs Officers are extended to eligible dependents, including parents, widows, children and orphans, of war veterans and ex-servicemen and women. The primary function of the Department of Veterans Affairs and the majority of time is spent in working with and supervising our forty-six County Veterans Affairs Officers in helping them with individual cases in their respective counties.

Other major functions performed by the South Carolina Department of Veterans Affairs in accordance with the law are as follows: (1) Assist individual veterans directly or their families and survivors in filing claims for monetary and other benefits to which they may be eligible and to prosecute to final determination all such claims; (2) Represent veterans before the VA Rating Boards and the Board of Appeals; (3) Publish timely informational bulletins on technical rules and regulations relating to benefits; (4) Assist and cooperate with all veterans organizations in their work; (5) Conduct Veterans Affairs Officers Schools to instruct in veterans benefits; and (6) Maintain complete files on all veterans whom we assist.

Additional major functions of this Agency are: (1) Assist similar agencies in other states in securing evidence needed in the development of claims; (2) Assist veterans insofar as possible in securing Social Security, welfare and related benefits; (3) Assist legislators and others in appropriate veterans legislation; (4) Assist survivors or morticians in securing burial benefits; (5) Assist all public officials in aiding constituents on veterans affairs; (6) Perform a humanitarian service in counseling disabled veterans, veterans' widows, dependent parents and orphans in complete realization of veterans benefits as they best

apply in individual cases; and (7) Assist veterans in filing applications for review of discharges and in obtaining disability retirement or an increase in disability retirement.

VETERANS PREFERENCE

Section 1-1-550 of the 1976 Code: Provides that honorably discharged members of the United States Armed Forces who are given employment preference by the United States Government, now and hereafter, shall be given preference for appointment and employment in every public department and upon all public works in South Carolina insofar as such preference may be practicable.

EDUCATION ASSISTANCE—(FREE TUITION FOR CERTAIN VETERANS' CHILDREN)

Section 59-111-20 of the 1976 Code: This section provides for free tuition to the children of certain war veterans in our South Carolina state supported colleges and universities (The University of South Carolina and all of its regional campuses, Clemson University, Winthrop College, South Carolina State College, The Citadel, The Medical University of South Carolina, The College of Charleston, Francis Marion College and Lander College), as well as post high school technical education institutions that are state supported.

Eligibility: Children of veterans of all wars (defined in Section 101 of Title 38 USC) who were bonafide and legal residents of South Carolina at time of entry into military-naval service and during service, or who have been a resident of this State for at least eighteen years, who (1) were killed in action; (2) died from other causes while in service; (3) died of disease or disability resulting from service; (4) was a prisoner of war as defined by Congress or Presidential Proclamation during such war period (veteran-parent not required to be currently residing in South Carolina); (5) is permanently and totally disabled as rated by the Veterans Administration from any cause, service connected or non service connected (veteran-parent required to be currently residing in South Carolina); (6) is currently missing in action; (7) children of persons awarded the Medal of Honor; and (8) eligibility under (4) and (5) above while veteran-parent was living continues eligibility upon veteran-parent's demise.

Eligibility generally terminates upon the child's 26th birthday, but certain exceptions are granted up to an absolute maximum of the 31st birthday (the same extension criteria utilized for Dependents Education Assistance for children—Chapter 35, Title 38 USC). The benefit may be terminated at any time by the school officials for misconduct or work that is unsatisfactory.

Assistance is in effect a waiver of the pure tuition costs only, as funds are not appropriated by the Legislature for this program but must be absorbed by the individual institutions. Payments will be re-

quired from the resources of the parents or child for room and board, certain fees, books, etc.

Information and applications may be obtained from the South Carolina Department of Veterans Affairs, 1205 Pendleton Street, Columbia, S. C., or any of the 46 County Veterans Affairs Officers in South Carolina. Completed applications should be forwarded to South Carolina Department of Veterans Affairs for final action.

Admission to the "E. Roy Stone, Jr. State War Veterans Pavilion" is limited to war veterans who are regularly admitted to the South Carolina Hospital and those persons can subsequently be transferred to the State War Veterans Home.

For the purpose of these two sections of the South Carolina Code of Laws, the definition of a "South Carolina War Veteran" means any ex-service South Carolina citizen who was discharged under other than dishonorable conditions and who served in any branch of the Military or Naval service of the United States during a war period as defined in Title 38 of the United States Code.

RULES BY STATE TAX COMMISSION RELATING TO ACTIVE DUTY PAY

Sections 221 and 251: Set forth below are rules adopted by the South Carolina Tax Commission relating to Active Duty Military Pay.

1. *Military pay in general:* Under the provisions of Sections 221 and 251 of the Income Tax Act, military pay is reportable for South Carolina income tax purposes.

2. *Nonresident armed services personnel:* Under the Soldiers' and Sailors' Civil Relief Act, members of the armed services, who are legal residents of other States stationed within South Carolina by virtue of military orders, are not subject to South Carolina income tax on their service pay. They are, however, subject to tax on any other income earned in South Carolina which would be taxable to a nonresident. Income earned in South Carolina by wives of servicemen is taxable to South Carolina.

The personal exemptions and deductions of a nonresidential serviceman's wife must be prorated in ratio to her adjusted gross income within this State to her entire adjusted gross income wherever earned. She would not be entitled to claim exemptions for dependents unless she could prove that she furnished more than fifty percent of their support for the entire year.

There is nothing in the Soldiers' and Sailors' Civil Relief Act or in the South Carolina statutes which would prevent a serviceman from changing his legal residence. To affect a change of legal residence, however, there must not only be an intention of making the new location the domicile of the serviceman, but also there must be the factual establishment of a domicile in the new location.

The establishment of a permanent residence (or domicile) in a new State ordinarily requires physical presence of the person in the State long enough to establish evidence of having taken up residence in the State. Some of the tests or factors to consider in determining such permanent residence (or domicile) include the following:

- (a) Place of birth.
- (b) Permanent residence of father.
- (c) Family connections, close friends.
- (d) Address given for military purposes.

- (e) Payment of State bonus (in most cases when a State pays a bonus to a serviceman, the serviceman must be a permanent resident to be eligible).
- (f) Civic ties, church membership, club or lodge membership.
- (g) Bank account or business connections.
- (h) Payment of State income taxes - this is almost conclusive evidence of permanent residence.
- (i) Continuous car registration and driver's license.
- (j) Listing of "legal" or "permanent" address on Federal tax returns.
- (k) Voting by absentee ballot - one of the best tests to determine permanent residence.
- (l) Occasional visits or spending one's leave "at home".
- (m) Ownership of a home.
- (n) Execution of approved certificates or other statements indicating permanent residence.
- (o) Expression of intention.

Our administration policy is in accord with the military services and the courts, including Federal courts, which, when arbitrating disputes over residency, have consistently held that a legal residence (or domicile) is not abandoned until a definite residence is established elsewhere.

3. *Resident armed services personnel:* For the purpose of reporting military income to South Carolina, the word "resident" means an individual who is a legal resident of this State, whether stationed in this State or in some other State or country. Unless he submits evidence that he has established legal residence in another State or territory and abandoned any domicile in this State, an individual will be presumed to be a resident of South Carolina if he entered military service while a resident of this State. As a resident, such individual will be required to report income from all sources to South Carolina.

The following may be used as a guide to determine the income tax liability of those servicemen determined to be South Carolina residents:

- (a) *Taxable service income:* Taxable service income includes base pay, longevity pay, flight pay, foreign service pay, submarine pay, jump pay, and re-enlistment pay bonus.
- (b) *Exempt service income:* Income not taxable to servicemen includes enlisted men's subsistence and quarters allowances, officers' subsistence and quarters allowances, family allowances under Servicemen's Dependency Allowance Act, voluntary allotments.
- (c) *Allowable deductions:* Deductions may be claimed by servicemen for insignia, swords, excessive cost of caps

(for naval commanders, army and air force colonels, and officers of higher rank), and cost of altering uniforms necessitated by change in rank. (The expenses for which a deduction is allowed are only those expenses actually paid for which no reimbursement is received. The cost of uniforms and cleaning of same is not allowed to members of the Armed Forces on full-time duty on the basis that the uniform replaces ordinary street clothes and as such is a personal expense.

- (d) *Non-deductible items:* In the case of individuals on full-time duty, no deduction is allowed for such items as uniforms, fatigues, laundering or cleaning, ordinary tailoring of uniforms, or cost of moving from post to post.

PROPERTY TAXES - TOTALLY DISABLED PERSONS

Section 12-37-220 (9) of the 1976 Code: All Persons, including veterans, who have been declared permanently and totally disabled by the Social Security Administration, Veterans Administration, or other state or federal agency, are eligible for a homestead exemption in an amount set by the General Assembly. This also applies to all persons over age 65. CONCLUSION

The State of South Carolina has one of the best set-ups for serving veterans of any state in the nation, and our program has been copied by many other states.

At this time, we have in our Agency more than 40,000 files on living and deceased veterans and those files represent a lot of hard work over the years by all who have been connected with this office.

The number of veterans assisted by this Agency and their survivors are rapidly increasing as daily inquiries are received from our County Veterans Affairs Officers and others over the state regarding various claims and other benefits.

The South Carolina Department of Veterans Affairs staff is the smallest of any similar agency in this part of the country, but the quality of work rendered is excellent. We have extremely capable and dedicated persons in the Department of Veterans Affairs that work untiringly and conscientiously in an effort to give the veterans of South Carolina, their dependents and survivors prompt and efficient service.

As of this publication, South Carolina has 332,000 veterans as follows:

Total No. of Veterans in S. C.....	332,000
World War I.....	5,000
World War II.....	126,000
Korean Conflict.....	54,000
Vietnam Era.....	106,000
Service between Korea and Vietnam.....	35,000
Post Vietnam Era.....	6,000

THERE HAS NEVER BEEN A BONUS AUTHORIZED TO ANY VETERANS BY THE STATE OF SOUTH CAROLINA DUE TO THE LACK OF FUNDS FOR THIS PURPOSE AND NO SUCH BONUS IS ENVISIONED FOR THE FUTURE.
